Financial Assistance Programs

Carle Financial Assistance Programs

Carle offers financial assistance programs to provide discounted care to those who qualify. Here are some general guidelines about the programs:

1. Eligibility is based on your household's adjusted gross income as reported on the prior year's Federal Tax Return, and family size. If you are claimed as a dependent on another's Federal Tax Return, you will need to submit their Federal Tax Return as well.
2. We will approve and apply discounts only after all third-party payments have been received.
3. Before granting discounted care, we may ask you to apply for public assistance. Carle's Case Management department will be happy to help you fill out application forms. For more information on applying for federal assistance, please visit hfs.illinois.gov/medicalclients/medicaidguide/applying
4. Discounts will extend for only one year from the date of approval.
5. These programs are open to new and existing patients who meet certain residency requirements.
6. Uninsured hospital patients who meet certain requirements may qualify for an uninsured discount, and your qualified hospital expenses may be limited to 20% of your gross annual income.
7. Carle staff will review your application and, if approved, match you with the assistance program that is best for you.
8. Carle reserves the right to require patients to produce additional information in order to verify income and/or assets.

Completing this financial assistance application will help Carle determine if you qualify for free or discounted services (Carle Financial Assistance Program, Carle Regional Financial Assistance Program, or Illinois Uninsured Hospital Patient Discount Program) or determine if you might qualify for other public programs that can help pay for your healthcare.

IMPORTANT INFORMATION

[1] **If you are uninsured, a social security number is not required to qualify for free or discounted care.** However, a Social Security Number is required for some public programs, including Medicaid. Providing a Social Security Number is not required but will help Carle determine whether you qualify for any public programs. Carle will notify you whether your application has been approved or denied. If you disagree with the decision, you may appeal the decision to the Manager of Self Pay Receivables Management within 45 days of the decision at the following address: Carle Patient Financial Services Attn: Manager - Self Pay Receivables Management, PO Box 4024, Champaign, IL 61824-4024

*** Optional. Responses and non-responses will not have any impact on the outcome of the application.**
