## Perinatal Services Education Calendar

Welcome to a new and exciting year at the Level III Center at Carle. We want to extend our thanks for the opportunity to work with you in optimizing the care of mothers and babies in east central Illinois. Our collaboration is essential to continue providing the region with the highest level of perinatal and neonatal services. As we feel education is a vital component to achieving this standard of care, we have put together this education calendar to meet the diverse educational needs of the healthcare professionals in our region.

There will be light refreshments provided at most classes. For lunch there are a variety of options including: restaurants conveniently located near Carle Campus with a wide selection of choices at a low cost and Carle Foundation Hospital Cafeteria that is located in the basement of the main hospital.

### Registration

Please call (217) 326-1818 or email [level3@carle.com](mailto:level3@carle.com) for questions, to register for programs, and to cancel when your plans change.

- Registration is required to allow us to plan for the appropriate number of handouts.
- Sometimes it is necessary to restrict the number of registrants due to class type or room size. When your plans change, informing us of your cancellation enables us to register those on a waiting list and to use resources responsibly.

### Continuing Education Information

#### Nursing (INA) (ANCC)

Carle Foundation Hospital is an approved provider of continuing nursing education by the Illinois Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

#### Respiratory Therapy (RT)

Selected programs may be appropriate for respiratory therapists. Carle Foundation Hospital is recognized as a provider of continuing education for respiratory therapists by the Illinois Department of Professional Regulation.

#### Videconference Guidelines

To arrange videoconferencing for an educational event, participants must notify Perinatal Services at Carle by calling (217) 326-1818. Videoconferencing arrangements with pre-qualified institutions should be made at least three weeks prior to the scheduled event.
